Les on the Line

It has long been my view that we can match and beat every team in this division when we are on song. The last two results against West Bromwich Albion and Bury have gone some way to proving my point. Successive victories - and richly deserved ones too - have given a timely boost to confidence and no doubt increased optimism among our followers.

It was great to see so many fans at Gigg Lane on Saturday, not that a sizable following is anything new for us. We get great support up and down the country, but it is especially pleasing to put on a good show and win when so many have turned out to cheer.

Falling two goals behind against Bury brought a change in formation and we staged a great fightback; indeed, we might well have scored more goals.

It was important that the impetus gained from beating West Bromwich Albion was not lost at Bury and we were all delighted with the Gigg Lane outcome.

Every game seems to be a big game at the moment and this afternoon we come face to face with another of the third division's top teams.

Huddersfield Town have lost only one game thus far and, in terms of away goals, they stand as the division's top scorers.

So another testing 90 minutes awaits and with the Terriers likely to bring a good-sized following across the Pennines it is vital that we get plenty of vocal support.

Another good result today could see us looking in a much stronger position than at the start of the month.

We have had some real tussles with Huddersfield Town over the last couple of years and I feel we could be in for a cracker this afternoon.

On Board

Much of what we read these days has a particularly negative slant. Preston North End seems a convenient punchbag and, in certain cases, the criticism is almost non stop.

While we are quite prepared to accept criticism it is rather disappointing to see many of the positive aspects of the club being ignored or overlooked.

One such area centres around the strength of the PNE Youth policy which took a sharp upturn in 1986, coinciding with the installation of the plastic pitch.

The formation of the Junior Football Federation has also been a major factor since it enables the coaching and scouting staff to check the abilities of a large number of youngsters. The pitch is still used by the Federation every Monday and Thursday evening between 7.00 p.m. and 8.30 p.m. and matches are arranged with outside teams. We have made reference before to the fact that the availability of the pitch, at all times, for football is a major factor in persuading boys to come to Deepdale and this, we find still applies. There is undoubtedly too an improvement in the performance of the schoolboys from the Town and surrounding areas and only recently here at Deepdale a Preston Schools Under 14 side comprehensively defeated a side from Sefton. The co-operation North End now have with the organisers of school football in Preston is first class and it is a relationship for which we are grateful and we will do our best to ensure its continuance. The present is now very different to the past when North End quite often missed out with promising schoolboys. We now find that we have first choice and consequently more local lads are part of our youth set up.

An average of ten boys a year have been taken on over the years as trainees (formerly the YTS Scheme). Last year 12 boys were accepted and this year the figure was 8. At the start of this season no less than 8 out of 10 of the final year of trainees were signed on professional forms four already having gained first team experience. The eight were, Lee Ashcroft, David Burrow, Lee Cartwright, David Christie, David Eaves, Jason Kerfoot, Craig Moylon and Adam Siddall. The fact that such a large percentage of trainees can be considered for at least a further year is yet another pointer to the strength of the youth policy. Many of the youngsters play regularly in the Reserves but unfortunately last season, because of the large number of injuries to senior players, some played too many games since they also had to be selected for 'A' team games and the strain showed, particularly towards the end of the season.

An 'Under 18' team again went on tour to the International Festival of Football at Croix in Northern France. Unfortunately the team was not as successful as in the past but in mitigation the players had not only had a long and tiring season here but on the first day of their arrival at Croix found that they had to play two games, one of which was against the subsequent winners of the competition. It was a hard programme against some of Europe's leading youngsters but lessons were learnt and experience gained. In July a team of Under 14's representing the Federation took part in the International Milk Cup in Northern Ireland. This tour was most successful and we tender sincere thanks to all those who helped with both these events:- both Youth Federation Committees, sponsors, those who gave their time, those who helped with transport and the coaches.

It's good to know that not only are you buying Deepdale Update in ever-increasing numbers but you are actually READING it as well! In the last edition I invited your opinions - and in they have come. Unfortunately there isn't space to use them all in full, but here are a couple of views.

Steve Cowell, of Queensway, Penwortham, writes: "I think congratulations are in order for the new look programme, but would it be possible to consider reverting back to an old-style cover design ('50s or '60s perhaps). Oldham have already done this and I understand Wrexham are considering a similar move.

"I enjoy the articles within our programme, even though there are plenty of adverts. Among my favourites are Ian Rigby's Collectors Corner and Memory Lane. I also think the new size is great."

J. Hartley, of Patterdale Road, Lancaster, writes: "While three points for a win has got to be one of soccer's best moves in modern times, I believe that even more could still be done to brighten up the game.

"Widening the posts or playing without goalkeepers are non starters but what about awarding an extra point for an away win. To go one further let's have an extra point for three goals scored in a game. With that system in use the likes of Barnet would probably be up by Christmas."

Thanks again for your response and keep the letters coming. Don't be frightened to criticise, providing it is constructive, we are quite hardened to that sort of treatment here!

Letters please to: Programme Editor, Deepdale Update, PNE FC, Commercial Offices, 308 Deepdale Road, Preston.

We pass on our thanks

TODAY'S MATCHBALL SPONSOR IS

DAVID A WARBURTON, who celebrated his 50th birthday last month. David is the Managing Director of 'Westmead Consultancy'. his own business (nationwide recruitment and personnel consultants) based in Surrey. His father was a Lancashire man and David was born near Preston before moving to London. He was evacuated to Padiham during the 2nd World War. Still has family living in the area and is proud of his Lancashire roots.

The reason for today's visit is to celebrate his birthday, arranged as a surprise present from his 3 children (Debbie, Susan and Tony). To say it was a surprise is an understatement! As a life-long supporter of the Club he is really looking forward to the day.

He is visiting the club with an old school friend (Darryl Sanger) who is not only a Yorkshireman, but also an Arsenal supporter! We're sure the friendly rivalry between the two will remind them of the days spent watching the great Arsenal and Preston matches on the 1950's.

RINGING THE CHANGES

The recent exposure we have given to promoting our two club telephone services - **HOTLINE** and **CLUBCALL** - has brought an outcry from certain quarters. That, if not a surprise, is a shame. As yet, however, we have not had any complaints from the people who matter - PNE supporters. Based on the increasing number of callers it seems that more and more fans are realising that they no longer have to wait for information.

This is a technically sophisticated age and we are aware of the need to provide our fans with access to the news - as it happens. We do not feel that in doing so we are speaking out of turn.

Along with up-to-the-minute news, our 'phone lines have star interviews on a day-to-day basis and match action. We have plans in the pipeline for an even more attractive package.

The advice, as always, don't wait for the others to catch up, be first in the know by ringing

Refreshing the Memory with Mike Payne

Since Preston were relegated from Division One in 1961 they have played against Huddersfield Town no less than 35 times in league and cup matches. Our record in that period is quite good and it reads: Played 35, won 13, drawn 13, lost 9, goals for 46 against 37. Now here are a few of the highlights from those years.

Our best win came on the 30th November 1974 when we won 4-0 here at Deepdale. Having just beaten Blythe Spartans 5-1 in the F.A. Cup replay we were in good form and Huddersfield took the full force of our lively attack. Indeed, had it not been for their young goalkeeper Dick Taylor there would have been even more goals. It was a first-half burst that did the damage when Mike Elwiss, Mel Holden and Bobby Charlton all scored within the first 16 minutes. After the break Holden scored again and Bobby, would you believe, missed a penalty!

Our worst defeat since 1961 was a 3-0 reverse at Leeds Road on the 19th of April, 1965. Huddersfield were in the middle of a fine run and Les Massie gave them a first-half lead. Second-half goals by Billy Fraser, a beautifully judged lob over John Barton, and Tony Leighton sent Preston home well and truly beaten. Tony Singleton had been our best player and he held things together when all around him was crumbling. That game was an Easter Monday fixture and the following day the sides met again at Deepdale. It was an altogether different story after Preston's 2-0 win.

The best individual performance by a North Ender against Town was probably Willie Irivine's brilliant hat-trick on the 23rd of March, 1968. In only his third game in a Preston shirt he scored goals in the 30th, 49th and 62nd minutes with Ray Mielczarek (a good old Yorkshire name!), pulling one back.

One of the most amazing comebacks came in a division two fixture at Leeds Road on the 8th February, 1964. Preston were coasting at 2-0 with only eleven minutes to go. Huddersfield's manager Eddie Boot desperately made a couple of positional changes which allowed Kevin Lewis to switch wings. He proceeded to tie Ian Davidson into knots and his shot after one fine run hit the post but rebounded to Alan Gilliver who scored. Five minutes later and with only six minutes to go, another brilliant run by Lewis set up a heading chance which Derek Stokes gleefully accepted. To say North End were shell-shocked was an understatement.

In that game Ray Wood performed heroically in goal for the Town and that was not the only time their goalkeeper proved to be their star player. John Oldfield always seemed to have a good game against us and Brian Cox had a cracker in a 0-0 draw here in 1982.

Talking of draws, there was a superb match here on the 22nd of September, 1981. Both sides played some super football on a night of heavy rain and Willie Naughton put Preston ahead after only eleven minutes. Huddersfield hit back strongly and on the half-hour Mick Kennedy equalised. After that it was nip and tuck all the way and a standing ovation at the end emphasised what a good game it had been. In the return at Huddersfield on the 9th February Preston gave what was probably the best performance of their Centenary season. Two goals from Alex Bruce and another from Steve Elliott gave them a 3-2 victory. So that is just a glimpse of some of the fine action between two great clubs. Actually you could write a book on our clashes with the Yorkshiremen....now there's an idea!

TRIVIA

Huddersfield's 3-0 win in that game in 1965 was their eighth game in succession without conceding a goal. The next day though Preston broke the sequence with a 2-0 win at Deepdale. Brian Godfrey was the scorer of both goals in the first half.

CORNER

TRIVIA

The Huddersfield v Preston Fixture on the 19th August, 1969 was the 1,000th League game at Leeds Road. The result was 3-2 to the home side.

CORNER

TRIVIA

In the Huddersfield side on 30th November, 1974 were Terry Gray, Alan Gowling and Les Chapman, all of course with North End connections.

Under the Spotlight . . . Nigel G

Nigel Greenwood took great delight in scoring the middle goal in our 3-2 win at Bury last Saturday.

For Nigel, a product of the Deepdale Youth system, left us for Gigg Lane back in the August of 1986. He returned here last year, but was very close to rejoining the Shakers in the summer.

In the last few weeks he has really discovered his best form and the 24 year old striker now has three League goals under his belt.

Community News

Our new Community Development Officer Ian Johnstone writes:

With the school half-term holidays rapidly approaching, the staff in the Community Office are heavily involved in the schools activities programme.

Amongst the schools we are currently working with are Penwortham Girls High, Moor Park High, Woodlands Juniors and Preston College.

Over the last few days interest in details about our next Soccer School has continued to grow. For the benefit of anyone who has not received an information sheet, here are details of the course.

* Merit Awards
* Five-a-side competition with prizes
* Invitation to Preston North End FC home game.

Our guests at today's game include children and parents from Lytham Juniors F.C., for whom we organised a soccer skills course in July, to help raise funds for their club.

Also present at this afternoon's game are a group of boys from Eggebek in Germany, who are on a short football tour of the Preston area.

Apart from watching today's match, parents and officials from St.Theresa's Junior Football Club, Penwortham have arranged a busy programme of activities for the boys. This includes a visit to Anfield, ten-pin bowling and a match to be played at Deepdale on Monday between the Eggebek lads and St. Theresa's.

Finally, may I take this opportunity to wish my former colleague and close friend Osher Williams the best of luck in his new career. As you may have read in the press, Osher has been appointed Assistant Manager at Halifax Town. He will be missed both in the Community Office and around the club in general.

Reserve Round Up

Since our last notes in 'The Deepdale Update' matchday programme (1st October, 1991), the Reserves have played four games to date.

The first a 2-1 home win over a young looking Mansfield side was not a classic encounter. In the 26th minute a wily and quick Thomas headed his third consecutive goal in as many games, Kerfoot's hard shot towards the goal was palmed up into the air by the 'keeper, the ball dropping down behind him, Thomas being quick to react to the situation, stole in to head into an empty net.

This was followed 7 minutes later (33rd minute) by another goal for North End - Industrious play by Kerfoot, the ball being fed out to Thompson on the right, his low hard centre was missed by the Keeper, Kerfoot at the far post scoring with ease. Lambert was booked on 51 mins for an off the ball foul and Thomas missed a point blank header.

The only noteworthy incident was Mansfield's consolation goal (70th minute), a quickly taken free kick by Clark - who spotted Keeper Nixon at his left hand post organising his defence - the quickly taken kick took everyone by surprise, hitting the back of the net by the right hand post.

North End Team: Nixon, Moylon, Siddall, Eaves, Davies, Lambert, Cartwright, Kerfoot, Thomas, Ashcroft, Thompson, Subs. Not Used: Ainsworth and Christie

North End Goalscorers: Thomas 26th minute, Kerfoot 33rd minute.

Attendance: 135

The second game, away at Filbert Street, Leicester on Monday 30th September against a Leicester team who were unbeaten and on top of the table, brought no reward, losing 1-0 at half-time, they did score a consolation goal courtesy of full back Adam Siddall, but came home pointless after losing 2-1.

North End: Gillespie, Moylon, Siddall, Eaves, Burrow, Lambert, Ainsworth, Flitcroft, Finney, Kerfoot, Ashcroft.

Subs: Christie who replaced Finney - 82nd minute. Burton who replaced Ainsworth - 75th minute.

Notes on the other two games Home v Blackpool (8th October) and Away at Wolves (16th October) will appear in the next issue of the 'Deepdale Update'.

WHY, WHY, WHY?

A familiar sound at Stoke City's Victoria Ground these days is that of Tom Jones' hit single 'Delilah'. Although there would appear to be no particular connection between the Potteries Club and the Welsh star's song a middle-aged City fan called Anton 'TJ' Bailey has taken to delivering his own rendition, Karaoke-style, at home games.
And TJ's performance has become so popular that he is fast becoming a cult figure with the fans. Could this be the beginning of a new craze at football grounds to replace the now deflated inflatables?

BLUE MOVIES?

Birmingham City are currently involved in a major refurbishment of their Junior Blues facilities at St.Andrews and included in the re-development plans is a small cinema.
Although primarily intended for match-day use, the cinema may also be utilised for coaching and a wide range of community purposes. There are certainly no plans, however, to show any 'Blue' movies.

92 CLUB

Founded in June 1978 with just 39 members for those football fans who have visited all 92 league grounds for first team soccer matches, membership has now just exceeded 750. The aim of the 92 Club is to provide formal recognition of this special achievement and bring all known qualifiers together. At the present time five Preston North End supporters have reached this goal but if any other supporter has visited all grounds or is likely to in the coming months, full details of the Club can be obtained by sending an s.a.e. to The 92 Club, 104 Gilda Crescent, Whitchurch, Bristol BS14 9LD.

To assist in keeping records of matches attended, the club also produce an excellent "complete statistical record book" with space for team line-ups, substitutions, scorers, attendance and even the weather! The book also contains the address and phone number of all league clubs, main railway stations, etc. This book can be obtained for only £2 inc. p&p from the above address.

FANS MEET

The Greater Manchester & Lancashire branch of the Football Supporters Association will be holding its Annual General Meeting on Monday 21 October. We'll be having reports from the committee followed by a general discussion on aspects of the game that affect us as football supporters. If you want to help get fans represented in football or just fancy a chat then come to the meeting. The venue is NALGO Social Club, 5 Peter St., corner with Deansgate, Manchester. It starts at 8.00 p.m. and a bar is available. Non-members are particularly welcome. For further details please ring Billy Mitchell - 061 256 2664.

ANDY IN BOTHER

Andy McAteer (pictured), formerly of this parish, is now playing his soccer in the non-League over at Darwen. Andy has had his fair share of injury problems, but last weekend he was in trouble of a different sort - sent off towards the end of a local derby with Clitheroe.

On this day ..

19th October

The following is a selection of games played by Preston North End on this date:

1895 Home vs Burnley (League) Drew 1-1

1901 Home vs Burslem Port Vale (League) Won 2-0

1907 Away vs Notts County (League) Won 1-0

1912 Home vs Leeds City (League) Won 3-2

1929 Home vs Blackpool (League) Lost 4-6

1935 Home vs Manchester City (League) Won 4-0

1946 Away vs Brentford (League) Won 3-2

1963 Away vs Manchester City (League) Won 3-2

1966 Away vs Queen of the South (friendly) 1-1

1974 Away vs Brighton (League) Won 4-0

The highest scorng game on this date was back in **1929** when champions - elect, Blackpool came to Deepdale and won 6-4 in front of a 21,185 crowd. North Ends' goals were scored by Steele, Horne, Russell and Harrison (penalty).

Bill Shankly also scored a penalty on this date at Brentford, in **1946**. The **1963** victory at Maine Road, Manchester brings back memories as it was the first away game I attended.

PNE League debutantes on 19th October are few and far between, as I could only find two:

William Brown vs Burnley in 1895 & James McClelland vs Blackpool in 1929.

Football Beat

Following the Hillsborough disaster, Lord Justice Taylor looked into the tragedy and reported some months later with a number of recommendations in an attempt to ensure that such a disaster never occurs again. Since then, Police Forces up and down the country have been reviewing their match day policing operations and contingency plans. At Preston, a good deal of hard work has gone into revising our plans for the event of an emergency situation arising on a large scale at the ground. I hope and pray that hard work will never need to bear fruit and that all future P.N.E. football matches go ahead without safety problems. That is not to say we are complacent and the main objective of the police at football matches is to ensure public safety. To this end, we meet representatives from the Ambulance Service and Fire Brigade every three months to co-ordinate the collective emergency response to incidents at Deepdale.

What does all this mean to the supporter? Whilst the plan of action to deal with disaster at Deepdale is quite comprehensive, there are only a small number of simple instructions I would like to bring to the attention of you, the spectator.

(1) Please do not park your vehicle around the ground in contravention of 'No Waiting' cones or in such a manner as would obstruct Fire Engines. In particular, the Fire Brigade are concerned that parking on Match Days on both sides of the road on Manor House Lane and Harewood Road may obstruct fire vehicles from attending a fire on one of those roads. Please consider others safety when parking on those roads and think about emergency vehicles access. I hope we do not get to the stage where I have to consider a fixed penalty initiative to solve this problem.

(2) In the event of an emergency situation developing in the ground, please try to stay calm and follow the instructions of police officers and stewards. Listen to the P.A. announcements for instructions.

(3) It may be that evacuation of one or more areas of the ground will take place. If this happens, it will assist greatly if those in areas of the ground not affected, remain where they are and await instructions.

(4) If evacuation is to take place, then the part of the ground in question should evacuate in accordance with instructions of officers, stewards or via the P.A. system. That may mean evacuating via normal exits and/or onto the pitch.

(5) The evacuation point for persons leaving the ground is Moor Park. All persons evacuated from the ground should make their way to Moor Park and remain on the park until further notice. Under no circumstances should supporters congregate on Lowthorpe Road, Hollins Road or on the club car park.

(6) Supporters evacuating the ground should not attempt to remove their vehicles from P.N.E. Car Park, but go on foot to Moor Park. Attempting to move vehicles from the car park may prevent emergency vehicles from getting to the stadium.

Enjoy today's match

INSPECTOR.

Junior Team Update

Our youth team is going great guns right now having already recorded three fine victories in the FA Youth Cup.

Successes against Rochdale, Barrow and, most recently, Huddersfield, mean that we can look forward to a first round tie with Tranmere Rovers at Prenton Park at Monday 28th October, K.O. 7.00 p.m.

The win over Huddersfield last week was a personal triumph for young striker Simon Burton who bagged a hat-trick, but it was a great team effort. Jamie Close made up our scoresheet. There appears to be increasing interest in supporters wishing to view our Lancashire League matches (A and B teams) so here is a run down on forthcoming fixtures.

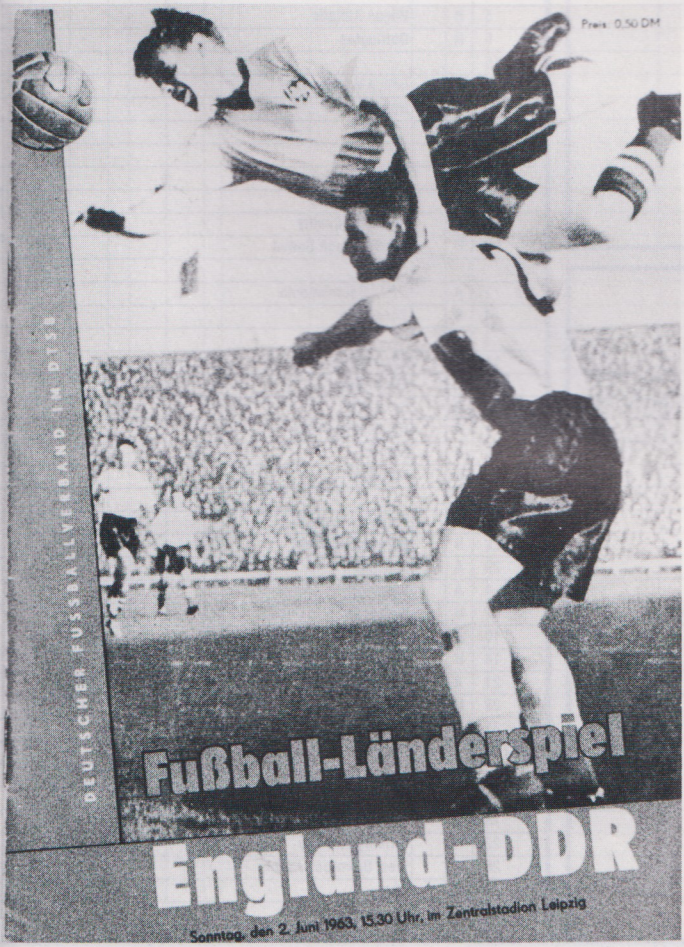
Collectors Corner

Today's featured programme is slightly unusual in that the game it was issued for has no Preston North End connections as such. It was printed for an England International game played in Leipzig, East Germany back in 1963 to celebrate the 100th anniversary of the English Football Association. England won the game 2-1 with Roger Hunt and Bobby Charlton scoring the goals. Ex-PNE player Gordon Milne was a member of the team that day but that is not the reason why this particular programme has been reproduced today.

If you look very carefully at the acrobatic airborne footballer in the photograph you will notice that he is sporting the P.P. badge. We are told that it is actually Derek Mayers who played 118 league games for North End between 1957 - 1961. The full-back giving him the shoulder ride is possibly a Sheffield Wednesday footballer, but we are not 100% sure. Can anyone recognise the stadium in the photograph?



It could be unique to have a photograph of North End footballers on the front cover of an international programme. If anyone knows of any others please drop us a line.
